2006 Passport to Worldband Radio/World Radio TV Handbook  
AUSTRALIAN/NEW ZEALAND residents may save up to 50%  
-----

[1] Savings of almost 50% may be possible to Australian and New Zealand residents on the 2006 editions of Passport to Worldband Radio, and the World Radio TV Handbook compared to recommended local currency retail prices at local stores.

[2] Savings of around 25% or slightly more may also be possible on the lowest local currency prices offered elsewhere for these same two

publications.

[3] These savings are inclusive of shipping costs from the USA in as little as 11 days to both Australia and New Zealand.

[4] Exact savings in your local currency may fluctuate because of exchange rate changes and foreign exchange fees charged by your credit card company.

[5] Buy from [www.radioheritage.net](http://www.radioheritage.net) and support free access radio heritage sharing the stories of Pacific radio.
